# HOW TO REFER STUDENTS

- Please contact Tower Education by phone at 770-477-6835 or by email at [info@towereducation.com](mailto:info@towereducation.com) with contact information of student.
- Tower Education will immediately attempt to contact the parent/guardian and walk them through the Supplemental Educational Services (SES) Application process for their district.
- Tower Education will follow up with ILP Coordinators within 3 business days with placement status. (In most cases, students will be assigned and ready to start with tutorials as soon as the school districts permit).

*Process Efficiency Is Key!*
